

NORTHSPEC

NORTHSPEC CHEMICALS CORP.

Products for the Coatings Industry

Arkema Coating Resins

- **Chempol®**, **MPS** (unique sucrose ester technology), **Mirasol®** **Coroc®** alkyds, polyesters, acrylics, polyols, epoxy esters for coatings
- **Esi-Cryl®**, **Craymul®** specialty latex emulsions for coatings, construction products, adhesives & sealers
- **Reafree®** resins for the powder coating industry
- **Crayvallac** micronized waxes & surface modifiers
- **Craymul**, **Synaqua**, **Synocure** resins

Arnette Limited

- Specialty/custom epoxy raw materials

BASF

- **Lupranate®** isocyanates, TDI, MDI, prepolymers
- **Pluracol®** **Quadrol®** **Balance 50** polyols

Brilliant Group LLC

- Specialty fluorescent and phosphorescent pigments

Dow Construction Chemicals

- **Walocel®**, cellulosic thickeners, additives for construction products, coatings
- **Walsroder®** Nitrocellulose resins for coatings and inks

Dupont Canada

- **Zonyl®** **Capstone®** fluorosurfactants for floor care, coatings, adhesives, sealants, construction products
- **Zonyl®** micronized PTFE powders

Eternal Chemicals

- **Etermer**, **Etercure** functional acrylic monomers & oligomers, synergists for UV/EB coatings, inks, composites

Evonik

- **Degalan®** solid methacrylate polymers for coatings, construction products, adhesives
- **Polyvest®**, **Polyoil** – Polybutadienes/Derivatives
- **Vestamin®** amines, IPD, TMD, A-139
- **Vestanat®** isocyanates IPDI, H12MDI, HDI types
- **Vestagon®** polyester polyols
- **Vestoplast®** amorphous polyolefinic materials
- **Dynacoll®**, **Dynapol®** polyesters for adhesives

Georgia Pacific

- Phenolic resins for protective coatings

IHT

- Antioxidants, photoinitiators

Industrial Copolymers

- PUD's, oxazolidines and curing agents

Invista Canada

- **Terathane®** polyether polyols for coatings, adhesives
- **Dytek®**, specialty amines, DCH 99

JECO Pigment USA

- High performance and classical organic pigments
- Water-based dispersions

JLS

- Ammonium polyphosphate (APP), melamine modified APP

Kukdo Chemical Co. Ltd.

- **Epokukdo®** Epoxy resins and curing agents

Novant

- **Micronix®** high performance iron oxide pigments

Plasticolors, Inc.

- **UCD®**, **Chromacure®** **Colormatch®**, **Spartacryl PM®**, **AldeSol®**, **SynerMix**, colorants & dispersions for coatings, urethanes & other systems.

Sachtleben

- **Sachtolith®**, **Sachtoperse®**, **Lithopone®**, **micro**, **Hombitan®**, **Hombitec®**, specialty zinc sulfide, barium sulfate, titanium dioxide and extenders

Solutia

- **Butvar®** Polyvinyl Butyral (PVB) resins, **Butvar®** PVB aqueous dispersions, **solusolv™ 2075**

Tarksol

- **Tarkstone®**, **Tarksene®**, **Tarksol Sc®**, environmentally friendly solvents, VOC reduction elimination.

Unichem Global Co.

- **Organic**, **Pearlescent** and **Specialty** pigments

Northspec Chemicals Corp

- D'limonene, Silanes and other specialties
