NORTHSPEC CHEMICALS CORP.

## Products for the Construction and Adhesives Industries

### Arkema Coating Resins

- **Chempol®**, MPS (unique sucrose ester technology),
- **Coroc®** alkyds, polyesters, acrylics, epoxy esters, polyols
- **Craymul® Esicryl®** specialty latex emulsions for coatings, construction products, adhesives & sealers
- **Crayvallac®** micronized waxes & surface modifiers
- **Craymul, Synaqua, Synocure** resins & polyols

### Arnette Limited

- Specialty/custom epoxy raw materials

### Avebe Building

- **Casucol®, Opagel®, Addilose®, Solvitose®, Foxcrete®, Colle®**, modified starch ether additives for cement & gypsum systems

### Asia Pacific

- Alkylphenol formaldehyde resin for contact adhesives
- Microballoons

### BASF

- **Lupranate®** isocyanates, TDI, MDI, prepolymers
- **Pluracol® Quadrol® Balance 50** polyols

### Brilliant Group LLC

- Specialty fluorescent and phosphorescent pigments

### Dow Construction Chemicals

- **Walocel®**, cellulosic thickeners, additives for construction products, coatings, adhesives

### Dupont Canada

- **Zonyl® Capstone®** fluorosurfactants
- **Zonyl®** micronized PTFE powders

### Eternal Chemicals

- **Etermer, Etercure** functional acrylic monomers & oligomers, for UV, peroxide, Michael addition cure - coatings & adhesives

### Evonik

- **Degalan®** solid methacrylate polymers for coatings, construction products, adhesives
- **Polyvest®, Polyoil** – Polybutadienes/Derivatives
- **Vestamin®** amines, IPD, TMD, A-139
- **Vestanat®** isocyanates IPDI, H12MDI, HDI types
- **Vestagon®** polyester polyols
- **Vestoplast®** amorphous polyolefinic materials
- **Dynacoll®, Dynapol®** polyesters for adhesives

### Hexion

- **Axilat®** redispersible latex powders & additives

### IHT

- Antioxidants, photoinitiators

### Invista Canada

- **Terathane®** polyether polyols for construction products
- **Dytek®**, specialty amines, DCH 99

### JECO Pigment USA

- Organic pigments & water-based dispersions

### JLS

- Ammonium polyphosphate (APP), modified APP

### Kerneos™ Inc.

- **Peramin® CONPAC, Ternal®** superplasticizers, shrink reducing agents, defoamers & specialty cements

### Kukdo Chemical Co. Ltd.

- **Epokukdo®** Epoxy resins and curing agents

### Lapinus®

- **Coatforce® Rockforce®** inorganic fibres

### Novant

- **Micronix** high performance pigments

### Plasticolors, Inc.

- **UCD®, Chromacure® Colormatch®, AldeSol®, SynerMix,** colorants & dispersions for coatings, urethanes & other systems.

### Sachtleben

- **Sachtolith®, Sachtoperse®, micro, Hombitan®, Hombitec®, Lithopone,** specialty zinc sulfide, barium sulfate, TiO2

### Solutia

- **Butvar® Polyvinyl Butyral (PVB)** resins, **Butvar® PVB** aqueous dispersions, **solusolv™ 2075**

### Tarksol

- **Tarkstone®, Tarksene®, Tarksol Sc®**, environmentally friendly solvents, VOC reduction elimination.
